

3.ročník 1.č.

1. Vymenuj a napíš dychové plechové nástroje

2. Hudobná matematika

A green-bordered box containing eight musical math problems. The problems are arranged in two columns. The first column contains four problems involving whole notes, and the second column contains four problems involving quarter notes. Each problem consists of musical notation followed by an equals sign.

|                                    |                                    |
|------------------------------------|------------------------------------|
| $\text{♩} + \text{♩} =$            | $\text{♩} - \text{♩} =$            |
| $\text{♩} - \text{♩} =$            | $\text{♩} + \text{♩} + \text{♩} =$ |
| $\text{♩} + \text{♩} + \text{♩} =$ | $\text{♩} - \text{♩} - \text{♩} =$ |
| $\text{♩} + \text{♩} =$            | $\text{♩} + \text{♩} + \text{♩} =$ |

3. Pracovný zošit str. 50- doplniť rytmické cvičenie a vytlieskať.

Pracovný zošit str. 51- triola, doplniť taktové čiary a vytlieskať.
